Notes from the boss.....

After what I can only describe as our worst team performance of the season on Saturday, it goes without saying that we'll be looking for a much improved performance from everyone against Fulham tonight.

What was particularly disappointing was that we saw so many players below par at the same time against Bristol Rovers. And, having had such a good start with Phil Brown's early goal, we should have been looking for much better from the team.

Nevertheless, I am determined to take the positive viewpoint, which sees us unbeaten in three League games. So we do have something to show for our early season efforts.

I'm reminded of our early hesitancy last season when it took

Mick and I quite a while to convince the players that they had nothing to fear in the Fourth Division. I've been telling them exactly the same about this division but again it is taking time for the players to believe in themselves.

What has been pleasing in these first few weeks has been the way the Youth team has settled into its stride. They have won through their preliminary round and can now look forward to taking on Huddersfield at Leeds Road on September 28th in the first round proper of the FA Youth Cup.

That is the big competition, of course, so it would be nice to see the youngsters enjoy a good run in it after doing so well in winning the County Cup for the past two seasons.

FULHAM

Tonight we welcome Fulham who have opened the season brightly with wins against Cardiff and Southend. With the threat of a merger behind them and with a new Board of Directors they went into the transfer market last season signing five new players. Results were encouraging particularly away from home, but a run of injuries ended any chance of promotion and they finished ninth.

Good wins, home and away, with promoted Walsall were contrasting with heavy defeats against Brighton (1-6) Notts. Co. (1-5) and Bristol City (0-4). Manager Ray Lewington has always produced his team to open attacking football even though they lost goalscoring sensation Leroy Rosenio to West Ham for £250,000. Fulham look to have a good all round squad and it will be of no surprise to see them in the reckoning for promotion next May.

PEN PICTURES

Jim Stannard

A player in his second spell at the Cottage, Jim was signed from Southend in the 1987 close season. Born at Harold Hill in October, 1962, he played

for Ford United before signing professional for Fulham in 1980. A well built goal keeper,

Jim is a fine shot stopper and after 45 league and cup games for Fulham and

loan spells for Southend and Charlton, he

moved to Southend in 1985. He helped his new Club to promotion in 1986/87 before returning to the Cottage.

Richard Langley

A 23 year old defender, he came to the Cottage towards the end of the

1986/87 season. Richard had previously played for Gillingham Juniors,

Dulwich Hamlet and Corinthian Casuals. Last season, his first as a professional, he played in 19 games.

Gary Elkins

Gary was born in May, 1966 and joined Fulham as an apprentice in 1982,

signing professional the following year. In 1984 he made his breakthrough

to the first team and also won 11 England Youth Caps. A broken leg early in 1986 slowed his progress but he has fought his way back into the side.

Last season Gary made 33 appearances mostly at left back which brought his career total to 77.

Robert Wilson

The fourth member of the current squad who is in his second spell with the

club. A mid-field player, Robert was signed from Luton in September, 1987.

Born locally at Parsons Green in June, 1961, his career began at The Cottage

as an apprentice in July, 1977 and two years later he turned professional.

In his first spell with Fulham Robert played in 191 games scoring 37 goals

before moving to Millwall in August, 1985 and then to Luton 12 months later.

He had bad luck with injuries last season which restricted him to 22 appearances during which he scored 4 goals.

Jeff Eckhardt

Another who was signed last season, Jeff was a former playing colleague of

Ray Lewington at Sheffield United. He was born in Sheffield in October, 1965

Burnden Visitors

and joined the Blades, the Club he supported straight from school in 1984.

Jeff made 85 appearances for the Bramhall Lane Club before his 150,000 move to The Cottage in November, 1987. Equally at home at full back or at the centre of defence, Jeff played 29 games for Fulham last season scoring once.

Glen Thomas

A Londoner from Hackney, 21 year old Glen joined Fulham on the YTS scheme in August, 1984 and signed professional in October, 1985. A tall, stylish full-back, he played once in 1986/87 and was a regular for much of last season until he was injured playing in 32 games.

Gary Barnett

Voted Supporters Player of the Year 1987/88, Gary first played for Fulham on loan in December, 1984 and signed permanently from Oxford in September, 1985. Born at Stratford in March, 1963, he began with Coventry before moving to Oxford where he made 49 appearances in 4 years. He also had a brief spell with Wimbledon. A busy mobile mid-field player, Gary has played 134 games for Fulham scoring 29 times of which 44 appearances and 10 goals came in 1987/88.

Justin Skinner

Born in London in January, 1969, Justin signed for Fulham as an apprentice in 1985. A talented mid-field player, he made his debut in February, 1987 and last season won a regular first team place playing in 33 games. He also scored 7 goals. Justin was voted Young Player of the Year by Fulham supporters 1987/88.

Andy Sayer

Signed for Fulham in August, 1988 from Wimbledon. Born in Brent in June, 1966, Andy joined the Dons when he left school making his debut whilst still an apprentice at the start of the 1983/84 season.

He went on to make 58 league appearances for the Plough Lane club scoring 15 goals. He also had a spell on loan with Cambridge last season playing 5 times.

Michael Cole

Michael signed for Fulham in March, 1988 from Ipswich for a 140,000 fee and scored once in his nine outings. A Londoner from Stepney and 22 years old, Michael joined Ipswich in 1984 and made 28 appearances scoring 6 times for the Suffolk Club.

He also had a spell on loan with Port Vale last season and was involved in their exciting cup run.

Clive Walker

An experienced winger, 31 year old Clive signed for Fulham from QPR in October, 1987. He began with Chelsea in 1974 and then played for Sunderland 1984 to 86 and Rangers 1986 to 87 making a total of 271 appearances scoring 83 goals. Last season for Fulham, Clive played in 28 games scoring 8 times.

Ray Lewington

Ray returned to Craven Cottage in the 1986 close season to become Fulham's first Player/Manager. Born in Lambeth in September, 1956, he began his professional career with Chelsea in 1974 after which he had spells with Vancouver Whitecaps in 1979 and Wimbledon 1979/80. Ray first signed for Fulham in March, 1980 and his uncompromising mid-field displays were a feature of the Club's successful team of his period. He joined Sheffield United in the summer of 1985 but 12 months and 41 games later, he was the popular choice to succeed Ray Hartford. He had a traumatic first season in which the Club was threatened with closure, but last season he steered the side to the fringes of promotion. Of his 267 outings for Fulham, 35 came last season as did one of his 24 goals.

MATCH REPORT

Seventeen of the Barclays League matches last Saturday ended all-square. Could this be an indication that no one is going to run away with the honours this term?

It was in **Division Three** where the country's hot-shots were to be found. **Northampton** went a point clear at the top after defeating **Chesterfield** 3-0, thanks to a **Tony Adcock** hat trick **Sheffield Utd.** were razor sharp in entertaining **Chester** and strikers **Brian Deane** and **Tony Agana** grabbed three apiece in their 6-1 win. **Ron Futch**er notched two goals in **Port Vale's** 6-1 thrashing of **Cardiff**.

Tonight's visitors won three valuable points over **Bury** at **Craven Cottage** to keep themselves in the hunt. **Wigan** chalked up their first win of the season, beating **Reading** by 3-0. **Preston's** equalizer a minute before the interval at **Bristol City** was enough to share the spoils in a 1-1 scoreline and the Division's highest attendance was at **Molyneux** for the **Wolves - Notts. County** encounter, but the outcome was scoreless.

FOCUS ON ONE AND TWO

The canaries are singing at **Norwich** after their 2-0 away win at **Newcastle** which sees them clear at the top of Division 1. Manager **Dave Stringer** must surely

be favourite to win the **Bells Manager of the Month Award**. Many will be surprised to see **Norwich** in their present spot, but remember last term they were the only team to prevent **Liverpool** from scoring and were the only club in the **First Division** to be awarded three **Barclays Performance of the Week** awards.

Southampton, after going two up at **Arsenal** allowed the **Gunners** to level in the 83rd and 90th minute and forfeit top position. **Anfield** attracted almost 41,000 for the **Liverpool - Spurs** clash where a 1-1 scoreline also saw the visitors central defender **Chris Fairclough** sent off for allegedly striking **John Aldridge**. Goals by **Peter Davenport** and **Bryan Robson** were enough to clinch maximum points for **Man. Utd.** on **Luton's** artificial surface. England 'old' boy **Trevor Francis** scored one in each half to collect the points for **Q.P.R.** against **Sheffield Wed.**

In **Division 2**, leaders **Watford** suffered their first defeat of the season at **Ipswich** but still keep top spot. Neighbours **Blackburn** were held scoreless by **Lou Macari's** **Swindon** at **Ewood** but **Man. City** collected three points, thanks to **Bolton-born** **Tony Moulden's** winner against **Brighton** at **Maine Road**. **Oldham** traveled to a difficult fixture at **Bradford City** and were unlucky on this occasion, losing 2-0.

BEHIND THE SCENES

PLEASED TO MEET YOU

A peep into the 'Sponsor's Lounge' last Saturday found former Wanderers favourite, Peter Nicholson hosting the guests of the Match Sponsor.

Already President of the Junior Whites, Peter has accepted to look after all the Sponsors this season. He said, "When Nat put the proposition to me I was delighted and it's superb helping out behind the scenes. I enjoy meeting people and I come to every match anyway."

Match Sponsors last Saturday were HB Electronics, who also back the Junior Whites and their invited guests at the games were families of the company. Financial Director Mr. Keith Harris is a keen Bolton fan and his continuous help is invaluable to the Club. Peter said, "Keith is trying to create facilities which are beneficial to youngsters because they are our future fans." The Junior Whites organization is still expanding.

So what benefits does the Match Sponsor receive?

Peter said, "They report to the Ground around 1 p.m. for a beautifully prepared meal and watch the game from the best seats in the Executive Box. After the match the players come in to discuss the various aspects of the game and I make an acknowledgement speech and present the Sponsor with a special memento to mark the occasion."

Peter is assisted by hostess, Linda, who provides an efficient bar service.

Most games are already booked for the

whole of the season and we hope that tonight's Match Sponsor thoroughly enjoy their evening with us.

TAKE THAT!!

Since his arrival to Burnden from Halifax, full back Phil Brown is quickly becoming a favourite with the supporters and it was nice to see the skipper notch his first goal for the Club last Saturday. Reflecting after the game Phil said, "It was a good build up on the right flank involving Stuart Storer, Steve Thompson and myself. Thommo slipped the ball through to me and no one closed me down."

Tongue in cheek, he continued, "I must have been all of 35 yards out and I got one touch then hit it as I was falling. The lads said it took a deflection but I say it went straight in. It was nice to get my first goal for the Club."

GOAL OF THE SEASON?

Phil Neal called it a wonder goal when talking about Billy Whitehurst's equalizer at Reading. Dave Felgate was left to pick the ball out of the net. He said, "Billy received the ball on his chest, turned and hit it on the half volley from about 35 yards. It flew, dipping towards the end. I saw it but couldn't get to it."

After the game Whitehurst congratulated David on his game but told him to stay on his line in future!!

DAYS GONE BY

5 YEARS AGO: Bolton produced another attacking show against Rotherham at Burnden. After the eight goal feast served up in the previous home game there were signs it would happen again as the Wanderers hit home too first half goals. Unfortunately, it only lasted for the first forty five minutes, as Rotherham came back to test the Bolton defence. Tony Caldwell diverted a Steve Thompson long range shot into the net for the first goal and Neil Redfearn hit the second when he lashed home a Brian Borrows free kick.

10 YEARS AGO: Bolton staged a tremendous second half recovery after trailing to Norwich City at the interval. Frank Worthington had given the Wanderers the lead but Keith Robson and Kevin Reeves fired City in front. After the break Worthington put Bolton back into the match when he lofted a perfect pass into the Norwich area which Neil Whatmore crashed home on the half volley. Worthington struck the winner in the 52nd minute running on to a Roy Greaves pass to hit the ball low into the net.

15 YEARS: The Wanderers run of four games without defeat in the Second Division came to an end when they went down 1-0 to Fulham at Craven Cottage. The man who halted Boltons run was former Luton player Viv Busby who headed home the winner in the 30th minute. Wanderers put up a brave fight in the second half and substitute Neil Whatmore missed a gilt edge chance to equalize when he headed wide with only Peter Mellor to beat.

100 YEARS AGO: Bolton went down 3-1 to the invincibles of Preston at Deepdale in the clubs third league game. Only 40 minutes were played during the second half when the referees watch stopped but the result stood. The Wanderers won an 'ordinary' in semi darkness at Bootle by 3-1 before a crowd of 3000 at Hawthorn Road.

HELPING THE GAME

The Football Trust receives £9 million annually from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zettlers and spends it all on projects which benefit football throughout the United Kingdom

Since 1979 it has been committed to the development of the game at every level and its broad and varying initiatives have ranged from essential safety work at Tottenham to social work at Torthet, refurbishment at Wembley to repairs at Welling; closed circuit television at all League clubs to community facilities at Oldham Athletic, transport improvements at Sheffield Wednesday to storm damage in the South East of England; from policing costs at Hull City to an artificial pitch at Hyde United *

1988-89 will see The Football Trust increase its commitment by investing further sums in closed circuit television, transport facilities for supporters and projects to bring Football League clubs closer to their local community

WARNING

At the beginning of the season more than 110 League grounds in England, Wales and Scotland will be equipped with CLOSED CIRCUIT TELEVISION which has been funded by The Football Trust

It is there to increase crowd safety and to help the police. Recording facilities enable film and photographs to be taken of disorder, which may subsequently be used in a court of law.

CLOSED CIRCUIT TELEVISION

SAFETY FIRST

Football grounds in England and Wales have reached their highest ever level of safety thanks to the £23,671,425 invested by the Football Grounds Improvement Trust since 1975.

Almost every League club has been assisted with essential safety work and further substantial sums have been spent to enable them to improve facilities. In the past year alone FGIT grants to Football League clubs totalled:

	£
Safety	2,254,723
Improvements	770,561

In addition to its safety programme, FGIT has also allocated £1.5 million to build or improve family and disabled facilities at League grounds during 1988

RESERVE AND YOUTH NEWS

Tonight we take a look at the faces of the future and the boys who hope to do well in this seasons youth competitions.

The photograph of the Wanderers youth side, which was kindly taken by John Daley, came after a pre-season game at St Asaph against Rhyl Hearts.

The Wanderers won the game 7-0 but more importantly the youngsters were a credit to the club both on and off the field.

Mr. Daley from the Rhyl Club writes:-

"I hope that you all enjoyed your short time with us, I know that we all enjoyed your company and we hope to see you all next year. I must say that your boys were a credit to you,

the Club and to Steve Carroll."

The side begin their campaign in the F.A. Youth Cup preliminary round with a visit to Marine and a victory will then give them a tie at Huddersfield Town.

*The players in the photograph are:-
Back Row: Steve Vain, Dave Roberts, Shane Williams, Neil Fisher, Simon Sharrocks, Andy Savage, Alan Stubbs, Gareth Wilson.*

Front Row: Paul Gaskell, Neil Hart, Darren Mason, Patric Halligan, Mike Jeffrey and Keiron Hughes.

Tomorrow evening the reserves entertain Darlington at Burnden with a 7 p.m. kick-off.

There's a great deal on the table.

SAFE HANS

Jimmy Hill the Fulham chairman and B.B.C. presenter could well become a familiar face here at Burnden. What! I can hear you cry. But don't worry, I mean Jimmy could well be working on Match of the Day if the Wanderers were to be selected as the 'live match' in the First Round of the F.A. Cup in November. Because of the summer T.V. transfer dealings the B.B.C. has signed the rights to show every round of the F.A. Cup including the first two rounds, so maybe the smaller clubs will be able to show there is good football outside of Liverpool, Manchester and London. This can only be good for football and the B.B.C. should be applauded; so maybe one of these smaller clubs may not get to Wembley and win the Cup, but reaching the Third Round and drawing a Liverpool and Everton is a realistic dream.

I.T.V. of course had the 'loads-a-money' and got the deal they wanted but it may

not be what the viewers want and it will be interesting to see who wins in the viewing figures. The Beeb have of course the rights for all England matches this season but this could backfire after their terrible showing in the European Championships, let's hope Bobby Robson can get things right on the field because qualifying for the next World Cup is essential. Some of the England fixtures should be played up here in the North, either at Old Trafford or Anfield, where I am sure "Full House" signs would be posted.

On changing the subject slightly, now that the nights are drawing in, Christmas is coming closer and Howards Way has returned, it's time to thank the Computer at the F.A. for giving us an exciting-looking October fixture list. Sheffield, Blackpool and Wolves all down here at Burnden next month should guarantee quality football and bumper gates. There is of course the local derby at Wigan to look forward to as well, so it could well be a football feast for our supporters.

RECOLLECTIONS

It will be eighty years next month since Fulham made their first visit to Burnden Park in which a Second Division match ended without a goal being scored.

Since then the Londoners have won on four occasions. On boxing day 1950 by 1-0, after Wanderers had won at Craven Cottage by the same score the previous day, in October 1960 by 3-0, September 1961 by 3-2 and in February 1983 by 1-0.

One of the most intriguing games between the clubs came in March 1968 when the Wanderers won a Second Division game 3-2 at Burnden. All the goals came in the opening half, the first after only 30 seconds, when Jim Conway headed past his own keeper to put Bolton in front.

Bottom of the table Fulham hit back and equalized in the 8th minute through Brian Dear but four minutes later Gordon Taylor restored the lead. Again Fulham recovered thanks to a header from Barry Lloyd and what turned out to be the Wanderers' winner was struck home by Warwick Rimmer from 25 yards in the 33rd minute.

This ended Bolton's run of three months without a league win and was a happy debut

for centre forward John Manning who had signed from Norwich for £20,000.

The seventies saw five visits from Fulham, four of which ended in draws, the exception being a 2-1 Wanderers win in October 1977, the crowd of 24,228 witnessing segregation for the first time at Burnden Park.

Fulham's last visit came in February 1987 in which the Wanderers had the edge with a 3-2 win. Warren Joyce, in his 150th league game, put Bolton in front and Steve Thompson added a second on the hour.

Kevin Hoddy pulled one back before keeper John Vaughan allowed a Tony Caldwell shot to spin into the net off the post for Bolton's third. Kenny Achampong gave Fulham hope but the Wanderers hung on for the final nine minutes to record their first league win of the year.

Our league record against Fulham is as follows:

	PI	W	D	L	F	A
Home	20	11	5	4	31	21
Away	20	7	3	10	24	33
Total	40	18	8	14	55	54

A REVIEW OF NATS INTERNATIONAL CAREER

28TH NOVEMBER, 1951. No. 4

ENGLAND 2 v AUSTRIA 2

After a fascinating match of contrasting styles in which the lead changed hands twice in the second half, England and Austria drew their long awaited match at Wembley, to send home a 100,000 crowd with much to talk about.

England, playing their best game by far this season, should have won. Certainly there were moments when the Austrian defensive gaps were not exploited to the full - times when these gaps suddenly seemed to seal themselves as if by magic - yet the harvest was not reaped, partly because the ball ran unkindly and partly because of some superb goalkeeping by Zeman.

His handling of the ball in the air was immaculate yet the England forwards played into his hands, not only in their shooting, but in trying to find Lofthouse's head in the goalmouth with long crosses.

The first half ended goalless then, two minutes after the change of ends, Okwirik put a deep free kick across the heads of a stationary England defence and in a flash Melchior cut in unchallenged to beat Merrick.

It was an undeserved lead on the run of play but quick thinking had gained a point.

England arose to their duty with attack following attack. Then with twenty minutes remaining Bailey was floored by Okwirik inside the area and Ramsey's penalty kick placed to the last refined inch, left Zeman motionless.

Now it was a real Wembley roar and within seven minutes there came two more goals. Both sides becoming suddenly robust, seemed eager to win the day.

In the 76th minute Ramsey took a free kick on the right, placed it to the far post, and Lofthouse, timing his run perfectly, headed England into the lead amid pandemonium.

Two minutes later Eckersley had no option but to turn away a fine header by Huber with his fist from under his own bar.

Stojaspal measured his angle and although Merrick touched the ball the penalty went into bring Austria level.

TEAMS:

England: Merrick (Birmingham), Ramsey (Spurs), Eckersley (Blackburn), Wright (Wolves) (Capt.), Froggatt (Portsmouth), Dickinson (Portsmouth), Milton (Arsenal), Broadis (Man.City), Lofthouse (Bolton), Bailey (Spurs), Medley (Spurs).

Austria: Zeman, Roockj, Happel, Hanappl, Okwirik, Brinek, Melchior, Gerhardj (Capt.), Huber, Stojaspal, Koerner.

WHERE ARE THEY NOW

BOBBY OWEN

ex Manchester City

Tonight's spot features a local lad who appeared at Burnden several times but it was always for the opposition and usually on the losing side. He attended Brownlow Fold Secondary School and lived for many years at Moses Gate, just a mile or so up the road from Burnden. Nowadays, he can be found 'drawing' pints rather than opposition defences, but like any other player has interesting football stories to tell.

Bobby Owen had scored 85 goals at Bury when Joe Mercer snapped him up for £35,000. He explained, The move came straight out of the blue; Man. City had just won the Championship in '69 and had just returned from an American Tour.

Within a matter of weeks he had become 'blue eyed Bobby' for regular first teamer, Tony Coleman, suffered an injury and the Charity Shield game against West. Brom. was looming. He continued, "Malcolm Allison told me on the Friday I was in the team and the selection came as a bit of a shock. At the time, I couldn't drive so I went to the game at Maine Road on the bus - they didn't play it at Wembley then." Bobby had a dream start, scoring after just 55 seconds. He recalled, "Summer-bee put me through and I tucked it away. We went on to win 6-1 and I scored two, breaking 'keeper John Osborne's finger in the process of trying to stop the second."

He made his league debut at Liverpool and has memories of that encounter. He said, "Tommy Smith gave me a right clobbering, I was shaking for a week after!!"

Franny Lee was a great help to Bobby in more ways than one. "He would give me a lift to the Ground daily and offered a lot of advice on the way," Bobby said.

Manchester City were the top team of the time and the following season won their way to the F.A. Cup Final at Wembley against Leices-

ter. "I had been sub in the semi's against Everton at Villa Park and having scored 27 goals in the Reserves that season, thought I had a good chance of being on the bench at Wembley," he said, "but Mercer told me I wasn't playing well enough and wouldn't be traveling with the team. Instead, me and Ken Mulhearn traveled separately with the players' wives. It was the biggest disappointment of my career having missed out on a medal and everything, but I have not grudges."

Bobby Owen eventually left Maine Road to link up with another one-time Wembley hero, in Bob Stoker, who was manager at Carlisle. Bobby explained, "They were in the Second Division at the time and I helped them win promotion to the top flight for the first time in the Club's history."

Now he is licensee at the Peel Hotel in Rochdale Road, Bury, where he is busy building up the trade. He regularly turns out for his pub team in the local Sunday League no doubt passing on some tips to his players. Looking back he reflected, "Perhaps another season at Bury would have given me more experience but in football you grab opportunities - and City, remember were the Champions."

Personality Profile.

TREVOR MORGAN

Tonights Profile Trevor Morgan is in his second season with The Wanderers after joining the club from Bristol City. Recovering after his summer operation of a Double Hernia, Trevor is enjoying his time at Bolton and it's interesting to here of a mad keen West Ham fanatic who has played football in Australia and helped three clubs to win promotion: Bournemouth, Bristol City and of course Bolton.

Trevor was spotted playing Non-League football by Dave Webb, the Bournemouth manager back in 1981, but it was a stroke of fortune that Mr. Webb was there that day, he had in fact gone to watch Trevor Hurlock who unknown to him had just signed for somebody else, he decided to stay and saw Trevor score two goals for Leyton Stone in only his second game for the club. The big man signed professional forms for Bournemouth and thus began his League Career that has so far stretched to eight moves and six different clubs. Trevor made his debut for Bournemouth and scored on his home debut against Rochdale. The following season saw him Transferred to Mansfield and Trevor comments "Yes I spent five months there, but due to the bad winter played just 12 games scoring 6 goals when the day after moving into a new house in Mansfield, Bournemouth re-signed me!" Trevor did well on his next spell at Dean Court helping Bournemouth to promotion to Division 3 and scoring 19 goals in the process. The following season in the Third saw him Leading scorer at the club with 16 until Dave Webb signed Billy Rafferty from Portsmouth. Trevor knew the writing was on the wall and when Terry Cooper at Bristol City moved in for him he decided to go to Ashton Gate.

Promotion was achieved there, with Trevor scoring both goals in the game at Chester which finally sealed it. Next on his travels was a spell at Exeter and it was here that during the close season the club allowed him to spend 13 weeks in Australia where he played for the St. George club scoring 8 goals in 13 games. Trevor recalls his stint in Australia, "Yes my wife

Jackie and the two youngsters Lauren and James and of course myself loved it over there, and even though it was their winter at that time we still spent our afternoons on Bondi Beach even though we were the only one's on it." Over in Australia Trevor played with the Goalkeeper and Centre-half of the National Team and when the Australians played Scotland at Hampden Park Trevor was invited with the party to travel on the Team Coach to watch the match.

Back at Exeter, due to a change of management, Trevor asked for a move and was sold to Bristol Rovers where Trevor went on to make the sport headlines when scoring both goals in Rovers F.A.Cup victory over First Division Leicester, even though he lost a contactlense after scoring the first goal and had to leave he field for his spare one before coming back on to score his second. He also has the distinction of scoring the last goal at Eastville, the old home of the Rovers and the first goal at their new home at Bath against a certain Bolton Wanderers. That goal came from the penalty spot after being "Chopped Down" by a certain Mark Came.

Another spell at Bristol City followed and then quite out of the blue Phil Neal moved in and "Sold the club to him," in the end it didn't take a lot of persuasion. "Bolton are a big club and I jumped at the chance" quotes Trevor. His first season saw Trevor help the club to promotion even though he played with a Hernia problem virtually all season. He is looking forward to returning to first team action and launching another push for promotion.

When Trevor was asked for his highspot in football, it's clear as a schoolboy follower of West Ham that his Goal for Bristol Rovers against the Hammers in a Milk Cup Tie is close to his heart. As one of footballers Nomads when asked wether he misses his Native London, he just smiles and states "Where ever I lay my hat is my home." Sounds just like a pop song I thought to myself, as Mr. Morgan departed for another hard training session.
